Episode4: Edmund Delabarre 5 Minute History Lesson

Teacher's Guide

The Cumming Center's 5 Minute History Lessons (5MHL) are a series of short films about interesting people and stories from the psychology's history. The 5MHL's use archival documents, photographs, sound recordings, and films housed in the Archives istothe of American Psychology to tell the stories of individual psychologists and psychological research.

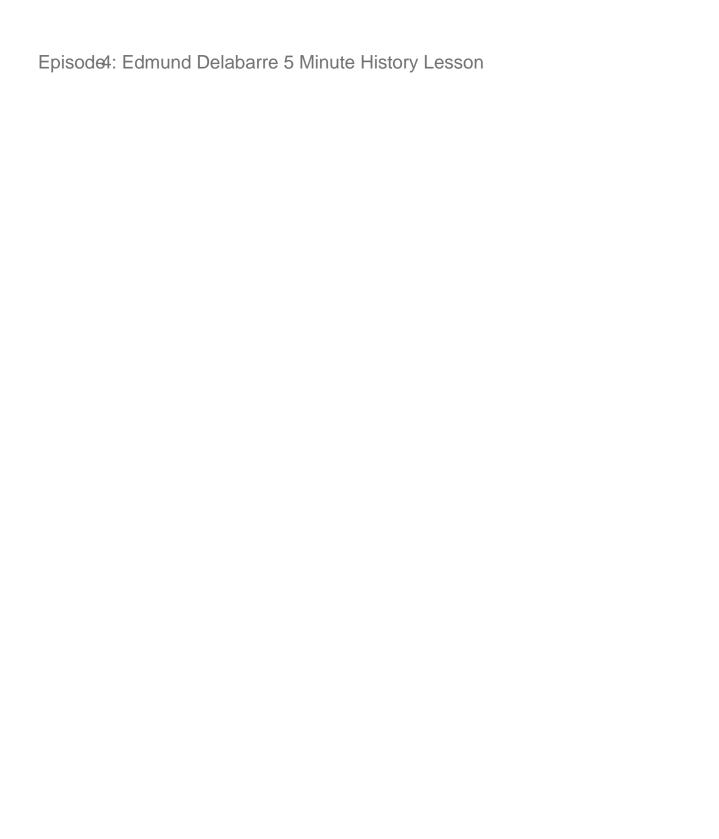

The 5MHL Scavenger Hunt activities are meant to be used by instructors to provide a broad understanding of a variety of topics. Scavenger hunts can be done in class-(face) virtual) or assigned as homework projects.

Instructors can determine the depth of the project and should all to the scavenger hunts can simply be completed by students, or they can serve as a jumping off point for more indepth class discussions. Suggested discussion points are included.
