If you answer **MYg** to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

This is only a screening question, and your response does not show up on College Navigator.

If you make any exceptions to this rule, and have even one full-time, first-time student living off-campus, please answer **Bc** so that this does not cause conflicts with the Student Financial Aid survey. Making changes to the SFA component is very difficult and may lead to inaccurate reporting for your institution.

If you answer **MYg** to this question, you will be expected to report tuition amounts for in-district, in-state, and out-of-state students.

Please only select **MYg** if you really charge different tuition rates, or you will be reporting the same numbers 3 times.
